

**“Our Name
Says It All”**

STORAGE PRODUCTS

Voltgard® Storage Products are designed to provide electrical utilities, contractors, telecom companies, municipalities, first responders and industrial facilities with an easy and convenient transportation and stow-away device for various rubber insulating protection products.

FEATURES & BENEFITS

- ✓ Voltgard Glove and Sleeve Bags help prolong the life of rubber goods by protecting them from weather extremes, heat and other adverse conditions
- ✓ The Voltgard Glove and Blanket Bags are manufactured using cotton canvas material to provide durability and feature snap buttons for easy opening/closure
- ✓ Voltgard Glove and Sleeve Bags include a three-piece leather strap holder on the back of the canvas bags along with a quick release snap to deliver fast, convenient access to gloves and sleeves
- ✓ Rugged Voltgard Blanket Bags and Canisters help protect blankets from mechanical stress and the elements when not in use
- ✓ Voltgard Blanket Canisters are ideal for storage on trucks at various job sites in the field and can also be used for carrying many other kinds of tools, hoses and signs (when rolled up properly)
- ✓ All Voltgard Blanket Canisters are molded from bright orange polyethylene for high-visibility impact resistance
- ✓ The Voltgard Super Blanket Canister features an exclusive molded-in handle for portability
- ✓ The Voltgard Blanket Bag includes a strong metal spring hook, which allows the bag to be clipped to almost anything
